

MATH FLASH CARDS

A Freebie from Ashley Reed @ Just Reed!

0-10 Facts

Teacher Tips

Copy these on colored card stock and use them in class to practice math facts. Play Around the World with them....or come up with a unique way to use them.

The more your students practice, the better they'll get at basic math facts!

Feel free to email them to parents so they can print them out to use at home!

ENJOY! 😊
